Dear Families,

Many parents/guardians have participated in school initiatives:

- Shrove Tuesday – pancake breakfast;
- Our opening school Mass;
- The first Parents and Friends Meeting;
- Attended assemblies and interviews;
- or have sent in volunteer forms.

Each of these actions build on the ongoing partnerships between families and school. We recognise that families are the most influential educators and that students thrive when families are engaged in their children's learning.

We aim to improve upon our commitments to 'educate the whole child, spiritually, physically, socially and academically' through that partnership, quality learning and teaching and our Catholic Identity. We look forward to

determining further opportunities for family engagement.

Throughout Wednesday the Leadership Team continued their work with Kim Butler (Catholic Education Sandhurst – Principal Consultant) on the St Mary's School Improvement Plan in setting priorities and goals for our school. The draft document will be shared and refined with staff and then the School Advisory Council and families. This will guide our future direction.

The senior students and teachers are currently involved in their preparation for the Canberra Camp in Week 5. We wish them a safe and enjoyable trip.

A big 'shout out' to our Literacy/Learning Diversity Leader, Ashley Pasqualotto, in the successful Sharing Best Practice High Country Conference held on Saturday at EMPAC and St Mary's. Keynote speakers involved well known educational leaders Pamela Snow, Nathaniel Swain and David Morkunas with numerous well-researched breakout sessions including Jo Bennett and Hannah Wall. Each building teacher knowledge through evidence-based practices. With just under 100 participants attending, there was a buzz demonstrating passion for learning. Thank you to Ash and her team for making this possible in our area.

Kind Regards

Trish

A Prayer for Lenten Grace

Loving God,

During the sacred season of Lent, bring me closer to you.

Prepare a place in my home and heart for silence and solitude, so that I may re-discover the grace of a prayer-full life.

Enlarge my heart so that I give to those in need and, in so doing, re-discover the grace of gratitude and generosity.

Help me to fast from those things that threaten the well-being of body and soul, remind me of the grace and simplicity.

May this season be grace-filled time to rekindle my love for and faith in you.

Amen.

www.ShareCatholic.com

St Mary's Primary is committed to students experiencing a sense of inclusion that is respectful of their giftedness, abilities, culture and contexts. Our students experience learning and teaching in a child safe environment that is engaging and liberating.

SCHOOL APP

The school Team App allows us to inform parents about events that are happening in our school and to send reminders to families about upcoming excursions or notes required to be returned to school.

Follow the steps below to access St. Mary's Team App:

- 1 - Download Team App (<http://teamapp.com/app>).
- 2 - Launch Team App and search for St Mary's Primary School.
- 3 - Sign-up to Team App. You'll be sent an email to confirm your registration.
- 4 - Search for St Mary's Primary School and request access to group(s) that apply to you.

JUNIOR NEWS

A reminder that Term 1 is a hat term and all students must have a hat on to play outside during recess, lunch and sport (“**NO HAT, NO PLAY**”). If you could please ensure your child’s hat is clearly labelled, we would greatly appreciate it.

PARENT TEACHER INTERVIEWS

Thank you to all the families that came along to parent teacher interviews last week. It was wonderful to meet with everyone and discuss your children and their learning needs.

FOUNDATION - LITERACY

Students have been singing alphabet songs and doing activities that involve rhyming words, syllables, beginning and ending sounds in words and substituting parts of words (eg. changing bedroom to bedtime). The letters and sounds we have learned are /s/ and /a/. The students have been enthusiastically identifying these letters and sounds in our everyday routines. Students are also learning to read decodable books and write the letters /s/ and /a/. It is amazing to see how fast this learning is happening!

MATHS

In maths we have been learning to count individual quantities and count two quantities ‘altogether’. Students have been modelling this with blocks and counters. They have practised with card games and outdoor group activities. Students have been doing rainbow tracing to practise the number formation.

BLUEARTH

In Bluearth sessions we have had a focus on motor skill and balance. Students have been doing bilateral movement exercises such as cross over walking, figure eight walking and changing directions.

INQUIRY

Students are demonstrating their geographic learning by using directional language and identifying places on the world map. We have been reading Jeannie Baker’s ‘Window’ book and making our own maps with photographs from the story. This learning has transferred into LETI where students are working on independent projects such as making volcanoes erupt, fairy garden maps, mermaid and unicorn maps, airport maps and army maps.

RELIGION

In religion we are learning about what makes us special. Students have made posters about themselves using magazine cutouts that show what makes us all individual.

YEAR 2 - LITERACY

We've had another great week, lots of learning about Australia with our class text 'Are we there yet?' by Alison Lester. This has brought up some interesting and funny stories about camping trips and road trip holidays. We've looked at vocabulary from the book and wrote about our own special places we've visited. Next week we move onto our new class text 'A Year On Our Farm' by Mel Hunter.

Our spelling program is up and running with new word lists going home on a Monday in our spelling homework booklets. We expect words to be practised each night along with home readers and returned to school on Friday morning to be checked. Students have activities glued on the inside cover of their booklets they can use for different ways of completing their homework. This week's focus is /ew/ as in few.

Home reading is off to a great start and we'd love to see this continue. Students are expected to change their readers when arriving at school and read with a teacher if it is their news day however ALL students are welcome to join in for before school reading from 8:30am.

MATHEMATICS

We have been getting our Essential Assessment completed this week and working on our Place Value up to 1000 and beyond, counting by 2s, 5s, 10s and 3s, and review the months and seasons of the year. If you like to practise at home here are some links:

LoveMaths Michael Minas:

<https://www.lovemaths.me/number-f-2>

Place Value by Numberrock:

<https://www.youtube.com/watch?v=a4FXI4zb3E4>

INTERVIEWS

Thank you for coming along to our get to know you interviews and filling in the surveys. It has been great to meet you all. We have a couple to reschedule for next week due to some illness. We will be in touch about this, thank you for your patience.

RELIGION

Last week was Ash Wednesday and the beginning of Lent. We made Lenten Promises to get ourselves ready for Easter. We encourage you to chat with your child about these, especially as we noticed lots of Lenten Promises involved helping out around home :)

Have a fantastic week,
Carolyn, Jo, Kelly, Nicole, Sandra and Sonia.

Year 4 Class Working hard

SENIOR NEWS

CANBERRA CAMP

As you will be well aware, we head off to camp next week. Thank you for attending to medical forms and completing the PAM permissions. You will have received a letter outlining the ways the government help schools with costs. This was factored into the price of camp. Over the weekend we suggest you pack your child's bag using the checklist that was sent home earlier this week, with them, and check the weather forecast for the week. Remember that students are to include their full summer uniform, for our excursion to Parliament House. If students could bring along a slice or something to share, that would be great. We will distribute these treats throughout the trip. It looks to be an excellent camp.

INQUIRY

We have been busy learning about the many facets of our political structure. The students have learned about how a bill becomes a law, the three levels of government and their roles and the role of the Senate and the House of Representatives. The students will continue to develop their understandings throughout the term.

'HOLES'

The students are thoroughly enjoying the novel, 'Holes' by Louis Sachar. The students continue to develop their vocabulary found in the book, and look for connections between characters and events within the story. Ask your student what type of words are *Stanley Yelnats*? Hopefully they can share some of the other characters with you or a sibling.

PANCAKE TUESDAY AND ASH WEDNESDAY

Congratulations to our students for their positive input and behaviour during these two events. Our students modelled acceptable behaviour beautifully, setting an example for the rest of the school. Our students are always willing to volunteer for responsibilities in many areas within the school. Thank you to Zahlee and Violet who are taking responsibility for putting up the flags on Monday mornings and taking them down on Friday.

HOMEWORK

A reminder that homework is due on Fridays for Mrs Ivone. Homework is usually a comprehension piece and a math activity. Reading for about 20 minutes regularly and practicing times tables, if you aren't completely confident, is also very important.

Have a great week, we are looking forward to going to camp next week, it's very exciting.
SLC teachers

CATHOLIC IDENTITY NEWS

We celebrated Shrove Tuesday last week with our students, parents and guardians, serving pancakes prepared by St Mary's staff. Attendees gave a gold coin donation, raising \$262.00 for Project Compassion, a fundraising campaign by Charity Caritas Australia. It was lovely to see so many families come along.

JOIN OUR TEAM

PLAY NOW

Calling all 12 to 17 boys and girls not yet registered.

We need to finalise which teams we will field in 2024 by Friday (23/2). Please register today!

Go to www.playfootball.com.au/register and follow the prompts.

P.S. Training is now underway for all ages. Visit myrtlefordsoccer.com.au for training times

For any questions please contact MSSC registrar Pene Cook on 0409 545 583 or via email at registrar@myrtlefordsoccer.com.au

COUNTDOWN TO KICK-OFF: 24 DAYS!

myrtlefordsoccer.com.au
facebook.com/myrtlefordsoccer

MINIROOS STARTS 16th MARCH

MiniRoos is the junior soccer program for boys and girls aged 4 to 11yo. Registrations for the 2024 program are now open, starting Saturday March 16th. Go to www.playfootball.com.au/register and follow the prompts. For those eligible with a Health Care Card or Pension Card don't forget to take advantage of the Get Active Victoria vouchers. Register by Friday (23/2) to get your free kit on time for kick-off. For any questions please contact MSSC registrar Pene Cook on 0409 545 583 or via email at registrar@myrtlefordsoccer.com.au

MARRIAGE ENCOUNTER Weekend

"Live Your Best Married Life in Love"

Every relationship is a journey and the grind of everyday life can cause you to lose touch with your spouse.

This experience gives married couples the tools to keep your passion alive in a gentle, nurturing environment, away from pressures and distractions of daily living.

The weekend is based around Catholic values and couples of all faiths are welcome.

Please check our website for more details.

12-14 April 2024 in Melbourne
